Leaving Arafah: [Very Important]

On the Day of Arafah (9th of Dhul-Hijjah) do **NOT** leave *Arafah* before sunset: **18:48** (i.e. **6:48 pm**).

Prayer:

On the Day of Arafah delay Maghrib prayer until you reach *Muzdalifah*. But in any case, do NOT delay Maghrib and Isha past the middle of the night (approx. **11:45 pm**). Pray anywhere if you don't have time to reach *Muzdalifah* before the middle of the night.

Leaving Muzdalifah:

- The time to leave *Muzdalifah* is shortly before sunrise (**6:00 am**).
- Eligible people (e.g. weak, etc) can leave *Muzdalifah* after the middle of the night (approx. **11:45 pm**). Check eligibility criteria/conditions and time for leaving early with a scholar.
